Sakshi Tambole

Basavakalyan, Karnataka

+91 9108850449 sakshitambole47@gmail.com linked https://www.linkedin.com/in/sakshi-tambole-094473383

Objecives

Dedicated Computer Science graduate with basic understanding of software development. Skilled in C, C++, Java and Full Stack Development. Eager to grow and contribute in an entry-level software engineering role.

Education

Basavakalyan Enginnering College, Basavakalyan **2023 - 2027**

Bachelor of Computer science and engineering (CGPA of 8.22)

Sri Basaveshwar PU College of Science **March 2023**

PCMB (93.5 percentage)

Technical Skills

- **Programming Language:** C, C++, Java (Basics)
- **Web Technologies:** Javascript, React.js, Node.js, Express.js, SQL, Git, MangoDB
- **cource work**: Object Oriented Programming (OOP),Data Structures and Algorithms (DSA),Database Management Systems (DBMS),Operating Systems (OS),Computer Networks (CN)

Projects

ATM DATABASE SYSTEM

- Developed a secure and centralized database system to manage customer accounts and ATM transactions such as withdrawals, balance inquiries, and fund transfers. The system ensures real-time processing, data integrity, and secure authentication while maintaining consistency and reliability of banking operations.

WEATHER FORECAST (Mini Project)

- Developed a responsive Weather Forecast Application that provides real-time weather information for different locations. Integrated a weather API to fetch temperature, humidity, wind speed, and weather conditions..

COLLABORATIVE TRIP PALNNING | Ongoing

- Developed a full-stack Collaborative Trip Planning web application using React.js, Node.js, Express.js, MongoDB, HTML, CSS, and JavaScript. The system allows users to create and share trip itineraries, manage destinations and budgets, and collaborate with other users through secure authentication and a responsive user interface.

IOT SMART CRADLE SYSTEM | Major Project (Ongoing)

- Developing an IoT-based smart cradle system.
- Working on sensor-based monitoring and automated cradle functionality.

Certifications

- **Full Stack Web Development**– Completed comprehensive training in front and back-end web development.View Certificate/2026
- **C++ Programming Beginner**–Infosys\Springboard
- **Java Programming for Beginner** – Developed simple console-based programs for problem-solving and logical thinking.
- **Java FullStack Development Certificate** - Teachmaster Training/2025
